

Controller/Senior Accountant at Ultranav Business Support ApS

Are you driven by responsibility and high standards in Accounting? Do you want to work in a dynamic, international shipping company? Then this position is for You!

The Job

The accounting department in overall is responsible for accurate and timely internal and external reporting. The team provides various financial analysis for the Ultranav Group of companies, based in Copenhagen and handles the registration of all transactions relating to commercial, technical, ship owning and corporate activities.

If you join our department, you will play an active role in the monthly closing process and will be responsible for the fixed asset register, reconciliation of accounts and financial reporting for joint ventures among others. Furthermore, you will have various daily tasks in the accounting department, which includes bookkeeping, payments and reporting of Danish VAT. The tasks are varied and you will get the opportunity to make an impact on our business and moreover, work with a professional and highly competent team executing day to day assignments to a high standard.

Your Profile

The ideal candidate will have a degree in Finance or Economics and at least 3-4 years of professional experience as an accountant. You enjoy working with numbers and reconciliation to perfection is your game. Naturally, you are enthusiastic and eager to develop and take on additional tasks, as you grow in the position. We are looking for a strong team player with the ability to build relationships and work constructively with others, to achieve business goals.

As a person, you have good energy and drive. You work independently and in a structured way, ensuring a consistently high standard with a sharp eye for details. Our environment is high paced, and it is important that you thrive in a busy environment with complex tasks without losing your focus. Our accounting department has a strong focus on high quality deliverables, which is why it is essential that you also put pride in delivering perfect results and getting the numbers right – first time, every time.

IT-flair, great MS Excel skills and SAP knowledge is an advantage.

What we offer

- A unique opportunity to join a highly international shipping environment and a company with a financially strong platform and a business built on partnerships and long term relationships.
- A social and open workplace with good company benefits such a pension scheme, health insurance, lunch and massage.
